In accordance with Customs directive 3530-002, Grantor warrants it is the owner or purchaser of the goods being imported and as the Importer of Record confirms it has the “right to make entry”. If you are Importer of Record, payment to broker will not relieve you of liability for customs charges (duties, taxes or other debts owed CBP) in the event the charges are not paid by broker. Therefore, if you pay by check, customs charges may be paid with a separate check payable to the “U.S. Customs and Border Protection”, which will be delivered to CBP by broker. Importers of Record who wish to utilize this procedure must contact our office in advance to arrange timely receipt of duty checks.
